# Saints Community In Songs

Another collection of Songs we sing in Saints Community Church meetings and services.

As it is with volume 1, all these songs came via psalms in the Holy Ghost mostly during services via different individuals. Some of them date back 20 years or more (even before Saints Community Church was birthed)

Am excited particularly about one song we sang a few years back (1997/8) as an Anthem - "Unto you " a psalm given by brother Derek Nwafor after a teaching meeting in University of Ibadan, Same minister sang " Singing, Laughing, rejoicing" during World changers conference 1998. Even though Derek Nwafor unlike other composers isn't a member of Saints Community Church, his songs have been a blessing and still blesses us till date. In fact I had to beckon on a colleague to resend me the full lyrics.

"I see Glory" was sung during Holy Ghost meeting 1999 March as we closed and an utterance was given. Best of two worlds came as we prepared for " best of two worlds Campmeeting 1998 "All songs came forth often as the word was taught and the Spirit in demonstration.

Very nostalgic is "Am in fellowship with the Father " jointly composed by myself and late friend, Pastor Lanre Amusan (Bishop) just after teaching for our ministry at a faith seminar 1996 November, He taught on building on your identification with in Christ, we sang together as we provided the lyrics in much rejoicing.

Such glory. We trust the songs will light up services, ignite personal worship and cause many to be filled with the Spirit.

This week expect to sing and praise with SAINTS COMMUNITY IN SONGS volume 2.

I remain multidimensionally yours

# UNTO YOU IT IS GIVEN

---

It's a mystery that passes human  
reasoning.

It's a Call that takes all your life

It's a Message that changed all history.

It's a Hope we've been groaning for Since  
time began

It's Zoe! coming down to the hearts of men

It's the Word of God

The Son of God

Slain for me and you

Now Jesus says to you...

Unto you it is given to know

The things of the Kingdom of God

For a time He partook of our frailty

Now we are the expression of Divinity

The Essence of Holiness took upon Himself  
our sinfulness

In our filth He still saw us fit to save and  
bless

Yes it's true the Great Dreamer had a  
Plan

So give your thanks to God

Who has made a Way

For on the scales of righteousness

We weigh the same as God!!

Unto you it is given to know

The things of the Kingdom of God

So we are the firstfruits of a New  
Creation

We reign in life through Christ

We can part the sea

We partake of Elohim

His Essence is in us!!!!

Unto you it is given to know

The things of the Kingdom of God

# I LIFT MY HANDS IN AWE

---

I lift my hands in awe of the one  
who did it all for me  
He did it all for me  
Upon the cross, he died in my place  
He did it all for me (2ce)

## *Chorus 1*

Because Jesus did it all  
He did it all for me  
Son of God, he died in my place  
He rose again, he did it all  
He did it all for me  
Jesus did it all for me

I give my life to serve the one who  
gave it all to me  
He gave it all to me  
His Righteousness, His peace and  
His joy  
He gave it all to me (2ce)

## *Chorus 2*

Because Jesus gave it all  
He gave it all to me  
Son of God, he died in my place  
He rose again, he lives in me  
He gave it all to me  
Jesus gave it all to me

I'll share his love to all  
Of the one who gave it all for all  
Gave it all for all  
His message is my life and my  
pursuit  
He gave it all to me (2ce)

## *Chorus 2*
